FOOTBALL

Burley Trojans is a local junior football club and an Affiliated Member Club of The Football Association. The club was started in 1985 and currently has over 250 registered players (boys and girls) who play in 20 teams from Under 6s to Under 18s. Our teams play in local leagues and are run by FA qualified coaches who are all volunteers, without whose support the club would not function. Our aim is to provide a safe and supportive environment so everyone can enjoy football, develop their skills and have some fun with friends playing "the beautiful game". The majority of players come from within Burley-in-Wharfedale, and home matches are all played in the village. Training sessions are held mainly at weekends, either on the village pitches, or on local artificial pitches in the winter.

If you'd like to find out more about the club or how you could get involved please contact:
